

3. TRIGGERS What triggers customers to act? Economic Performance Triggers International Rankings & Reputation Triggers Investment & Business Climate Triggers Political & Reform Triggers Academic / Research Triggers TR	10. YOUR SOLUTION If you are working on an existing business, write down your current solution first, fill in the canvas, and check how much it fits reality. If you are working on a new business proposition, then keep it blank until you fill in the canvas and come up with a solution that fits within customer limitations, solves a problem and matches customer behaviour. SL A comprehensive economic analysis model that measures the impact of economic freedom on prosperity using empirical data. The model identifies key reform areas and provides policy recommendations to improve growth, investment, and competitiveness.	8.CHANNELS of BEHAVIOUR 8.1 ONLINE What kind of actions do customers take online? Extract online channels from #7 Search for data,Read reports,Compare countries,Discuss policy,Make investment decisions 8.2 OFFLINE What kind of actions do customers take offline? Extract offline channels from #7 and use them for customer development. Discuss reforms Make policy decisions Attend events Conduct formal analysis CH
